# About Vajirao Degree College

Vajirao Degree College is a premier degree-granting institution located in Agra, Uttar Pradesh, established in 2014. As a sister concern of the celebrated **Vajirao & Reddy IAS Institute**, the college proudly carries forward Part of **37 Year legacy** of Vajirao Educational Group.

## Who We Are

Vajirao Degree College stands at the con uence of traditional academic rigor and modern pedagogical innovation. We are a government-affiliated institution recognized by Dr. B.R. Ambedkar University of Agra, and we offer undergraduate and postgraduate degree programmes in the Arts, Science, and Commerce streams. Our mandate is simple: to make quality higher education accessible, meaningful, and career-oriented for every student who walks through our doors.

Since our founding, we have built an inclusive academic community where students from diverse backgrounds are empowered to achieve academic excellence and develop the skills necessary to succeed in an increasingly competitive world. Our faculty members are highly qualified professionals who combine deep subject expertise with a genuine passion for teaching.

# Our Education Mission & Vision

---

## Mission Statement

To provide accessible, high-quality, and value-based higher education that fosters intellectual curiosity, ethical character, and professional competence, enabling our graduates to contribute meaningfully to society and nation-building.

## Vision

To be recognised as one of Agra's most trusted and forward-looking degree colleges, producing graduates who are not merely degree-holders, but confident, compassionate, and critically thinking citizens ready for the challenges of the 21st century.

## Core Values

<b>Excellence</b>	We maintain the highest academic standards in teaching, learning, and research.
<b>Integrity</b>	Honesty and transparency guide every interaction within our campus community.
<b>Inclusivity</b>	We celebrate diversity and ensure equal opportunity for every student.
<b>Innovation</b>	We embrace new ideas, methods, and technologies to keep education relevant.
<b>Service</b>	We cultivate a spirit of social responsibility and community engagement.

## Our Goals

- Deliver comprehensive undergraduate and postgraduate programmes aligned with UGC guidelines.
- Bridge the gap between academic learning and real-world professional requirements.
- Foster research aptitude and analytical thinking among students.
- Provide robust career counselling and mentorship infrastructure.
- Build a sustainable, green, and technology-enabled campus environment.

## A Short History of the College

The story of Vajirao Degree College is inseparable from the proud 37-year legacy of the Vajirao Group of Educational Institutions. The journey began over three decades ago when the **Vajirao & Reddy IAS Institute** was founded with a singular mission: to make civil services education accessible to aspirants from every socio-economic background. Under the visionary leadership of its founders, the institute grew to become one of India's most respected IAS preparation centres.

1989

### Vajirao & Reddy IAS Institute Founded

Established in Delhi, the institute quickly gained prominence for its rigorous coaching methodology and exceptional results in the UPSC Civil Services Examination.

2000

### Expansion & National Recognition

The institute expanded its reach across India, mentoring thousands of IAS and IPS aspirants. Dr. S.S. Chaudhary joined as a key faculty and mentor, bringing over three decades of multidisciplinary academic experience.

2014

### Vajirao Degree College Established

Recognising the growing demand for quality degree education in Agra, the Vajirao Group launched Vajirao Degree College as a sister concern. Affiliated with Dr. B.R. Ambedkar University of Agra, the college began offering B.A., B.Sc., and B.Com programmes.

2020-Present

### Modernisation & Growth

Significant investments in infrastructure, digital classrooms, library resources, and sports facilities have transformed the campus. The college continues to grow in enrolment, faculty strength, and academic reputation.

2025-2026

### Postgraduate Programmes Introduced

Following the success of its undergraduate offerings, the college launched M.A., M.Sc., programmes, widening academic opportunities for students.

# Director's Message

**Dr. S.S. Chaudhary**  
 Director, Vajirao Degree College  
 31 Years of Educational Experience | IAS/IPS Mentor, Delhi

Dr. S.S. Chaudhary

***"Education is not the filling of a pail, but the lighting of a fire."***

Dear Students and Parents,

It gives me immense pleasure to welcome you to Vajirao Degree College — an institution built on excellence, integrity, and an unwavering commitment to the holistic development of every student. Over my 31 years in education, spanning classrooms and mentorship sessions with IAS and IPS aspirants in Delhi, one truth has remained constant: *the quality of education shapes not only a career but one's character.*

At Vajirao Degree College, academic rigour coexists with personal freedom; discipline is inspired by purpose, not fear; and every student is seen as an individual with unique potential. Our affiliation with Dr. B.R. Ambedkar University of Agra ensures that your degree carries full governmental recognition.

We stand on 37 years of educational legacy. The Vajirao & Reddy IAS Institute has produced officers serving this nation at the highest levels. That same spirit and dedication now powers your degree education here. Whether you aspire to be a scientist, historian, economist, civil servant, or entrepreneur — this college is your launchpad. I personally commit to supporting your growth every step of the way.

Warm regards,

**Dr. S.S. Chaudhary**

Director, Vajirao Degree College

## Academic Programmes – Undergraduate For 2026–2027

Vajirao Degree College offers three broad undergraduate degree programmes, each designed to provide a comprehensive foundation in its respective field while encouraging interdisciplinary thinking and practical application.

### Bachelor of Arts (B.A.) – 3 Years

The B.A. programme is an ideal choice for students passionate about the humanities and social sciences. It cultivates critical thinking, communication skills, and a deep understanding of human society, culture, and history.

History	Geography	Political Science
English Literature	Economics	Hindi Literature

### Bachelor of Science (B.Sc.) – 3 Years

The B.Sc. programme equips students with a strong grounding in scientific principles and laboratory skills. It opens pathways to research, medicine, engineering, and a wide range of technical professions.

Physics	Chemistry	Mathematics
Zoology	Botany	

### Bachelor of Commerce (B.Com.) – 3 Years

The B.Com programme builds the foundation for careers in business, finance, accounting, and management. It combines theoretical knowledge with practical insights into the commercial world.

Financial Accounting	Business Economics	Business Law
Cost Accounting	Auditing	Business Statistics

# Academic Programmes – Postgraduate (PG) For 2026–2027

---

Our postgraduate programmes are designed for students who wish to deepen their subject expertise, pursue research, or qualify for positions that require advanced academic credentials. All PG programmes are two-year (four-semester) courses affiliated with Dr. B.R. Ambedkar University of Agra.

## Master of Arts (M.A.) – 2 Years (4 Semesters)

<b>M.A. History</b>	An in-depth exploration of Indian and world history, historiography, and the philosophy of historical inquiry. Ideal for civil services and academia.
<b>M.A. Geography</b>	Covers physical, human, and regional geography alongside cartography and GIS technology. Opens doors in urban planning and environmental management.
<b>M.A. Political Science</b>	Examines political theory, comparative politics, international relations, and public administration. Essential for civil services and policy-making careers.

## Master of Science (M.Sc.) – 2 Years (4 Semesters)

<b>M.Sc. Chemistry</b>	Advanced organic, inorganic, and physical chemistry with extensive lab work. Ideal for research, pharmaceuticals, and industry careers.
<b>M.Sc. Zoology</b>	Animal biology, ecology, genetics, and conservation science. Prepares students for research, wildlife management, and environmental roles.
<b>M.Sc. Mathematics</b>	Pure and applied mathematics including algebra, analysis, and numerical methods. Opens pathways in academia, data science, and engineering.

## Education Academic Programmes (B.Ed. & D.El.Ed.) - 2026-2027
